For your info, mergingcurrents do not host Human Remains pdf download on our server, all of book files on this site are found via the syber media. We do not have responsibility with missing file of this book.

Human Remains is a deeply disturbing and powerful psychological thriller that will have you checking the locks on your doors and windows.

When Annabel, a police analyst, discovers her neighbour's decomposing body in the house next door, she's appalled to think that no one, including herself, noticed that anything was wrong.

Back at work, she feels compelled to investigate, despite her colleagues' lack of interest, and finds data showing that such cases are common – too common – in her home town. As she's drawn deeper into the mystery and becomes convinced she's on the trail of a killer, she also must face her own demons and her own mortality. Would anyone notice if she just disappeared?
